### November is Foundation Month

The Rotary Foundation transforms gifts into service projects that change lives both close to home and around the world.

During the past 100 years, The Rotary Foundation has spent \$3 billion on life-changing, sustainable projects.

The mission of The Rotary Foundation of Rotary International is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

Donations make a difference to those who need help most. More than 90 percent of donations go directly to supporting Rotary service projects around the world.

Rotary's 35,000 clubs carry out sustainable service projects that support our six causes. With donations The Rotary Foundation wiped out 99.9 percent of all polio cases. Donations also help Rotary train future peacemakers, support clean water, and strengthen local economies.

It can save a life. A child can be protected from polio with as little as 60 cents. Rotary partners make donations go even further. For every \$1 Rotary commits to polio eradication, the Bill & Melinda Gates Foundation has committed \$2.
