## This Week's Program: Public Relations Committee Update

**S**

By increasing the public's understanding of our work, we're strengthening our ability to make an impact in community, our district and around the world. Promoting Rotary to the general public can be as simple as wearing your Rotary pin or as elaborate as an integrated marketing campaign. The Public Relations Committee will share updates on their vision and progress. They will also share how each member can help make an impact.

# Is it fun?
